

**Refr.: Halleluja come sing halleluja  
to the king of kings, to the king of kings.**

**Alpha, Omega, beginning and end.  
Merciful father and wonderful friend,  
mighty to save, to deliver and heal.  
Our God is great and our God is real.**

**Refr. : Halleluja...**

**Jesus Messiah, the bright morning star.  
You showed the love of your father above.  
To you be all glory, all honour and praise.  
We bow before you and we seek your face.**
