

**There is power, power in the blood, there is power, power  
in the blood. There is power to heal everyone, power to  
deliver everyone**

**end: there is power.**

**If I only knew him more, if I only sought him more, if I  
stayed in him and stood firm on his word, I would never  
be the same, see the promises come true. I am strong in  
the power of his might.**

**Refr.:**

**I want to know you more, and I want to seek you more,  
want to stay in you and stand firm on your word. For  
your word can never fail, your promises come true. I am  
strong in the power of your might.**
