

**Jesus, son of God, hear me now. Jesus, lamb of God touch me now.**

**Fill me with your spirit of power and of joy.**

**Give me a new revelation of your love.**

**Refr.: Help me to wait on you, for this is what I know: My strength shall be renewed and I shall rise up on high. I need to wait on you and follow your commands. Then I shall run and not be weary, I'll walk and not faint.**

**Jesus, prince of peace, fill my heart! Jesus, friend of mine I love you!  
To you I surrender my whole life, precious Lord. For I delight in your presence, holy one.**

**Refr.: I want to wait on you and follow your commands. In quietness and confidence I find my rest. I put my trust in you, my hope is found in you. Then I shall rise up like an eagle, (I'll) walk and not faint.**
